

This sweet surprise
is called a **"Boo"**!

You'll never know exactly who
brought you treats then ran off unseen
to brighten up your **halloween!**

It is twice as fun if you go
and **"boo"** two other friends you know!
Grab a **"We have Been Boo'd"** sign, treats & gifts.
Then **add a poem** just like this.

You've Been Boo'd!

Pick out a house and **sneak** up close.
Make sure it's windows have no **ghost!**
(That tells you clearly

"We've Been Boo'd!"

It is best to visit someplace new.)

Knock fast on someone's door, then **run!**
Make sure you're never seen, it's fun!
Then, once they get your gifts & food
they'll know for sure that
they've been Boo'd!
